

## Zagat Review

Restaurant:

**Proof**

Location:

775 G St. NW

(bet. 7th & 8th Sts.)

Washington, DC

202-737-7663

Review:

A classy décor that lends a look to a contemporary winery as you dine in an array of mahogany shelves lined with a variety of vintage wines. The menu offers perfect choices complimented by the Chef's creative display that would "wow" you when your meal reaches the table. Nestled in DC's top echelon "Penn Quarter" can mean a few things, mainly one—make sure you walk with sufficient funds.
